## INTERNATIONAL STUDENT FEE PROTECTION POLICY

### **RATIONALE AND PURPOSE**

This fees protection policy makes clear factors that will be considered to ensure that international student fees paid in advance are protected and can be made available in accordance with the school's refund policy. This policy should be read in conjunction with the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021.

### **FEES PROTECTION**

Mission Heights Junior College will ensure that its fee protection mechanisms and accounting procedures provide the following safeguards:

1. The school will ensure that funds from international students paid in advance are accounted for in such a way that individual student balances are clearly identified and monitored
2. The school will ensure that generally accepted accounting procedures are applied to international student fees paid in advance.
3. The school will ensure that only those staff with appropriate authority will have access to international student funds paid in advance.
4. The school will ensure that all International fees paid in advance shall be paid into the school's operating account or other account authorized by the Principal.
5. The school will transfer fees paid in advance to revenues at appropriate intervals during the period of enrolment for each student.
6. The school will ensure that it has sufficient funds available to meet any remaining international student fees paid in advance liability at any time.

7. The school will ensure that the operation of this fee protection policy is audited as part of the school's audit procedures.
8. MHJC will set up a separate/independent account to protect our international student fees that have been paid in advance, should there be an unexpected event that occurs.

### **REVIEW**

The school will review procedures relating to this policy as part of the annual self-review. The school will collect and record appropriate evidence of the review.

### **REPORTING**

The Finance Administrator will report directly to the school Principal on the operation of the school's fees protection policy.
