KIA MANA AKE
Growing Greatness

MAĀORI & PASIFIKA CULTURAL & ACHIEVEMENT Awards

Major Award Winners 2025

Kōtuku Award – Adrian Raheke and Dayna Puru

At Prizegiving, we acknowledge an outstanding Māori student who best exemplified our values. One Māori proverb says, "He kōtuku rerenga tahi" which means 'A White Heron flies once' – this is used on an occasion when something very special takes place. It is a symbol of prestige, purity, and uniqueness.

Tautua Award – Jordana Ugapo

At Prizegiving, we acknowledge an outstanding Pasifika student who best exemplifies our values. There is a Samoan proverb which reads "O le ala i le pule o le tautua" which means 'The way to leadership is through service'.

Tautua means 'service'.

Ta'ita'i Award – Kerasya Naidoo

At Prizegiving, we acknowledge an outstanding student who best exemplifies our school values through promotion of celebration of our cultures. A Māori whakataukī says "He kairāranga i ngā tira" meaning 'someone who is able to weave people and cultures together'.

KIA MANA AKE
Growing Greatness

PRINCIPAL'S Message

"Don't mess with the core"

I love the All Blacks and have read several books that document how this iconic sports team has led the way in terms of developing a winning culture. The latest is one by Gilbert Enoka, "Become Unstoppable". Gilbert was the mental skills coach for the All Blacks during their unprecedented era of winning two world cups and establishing the team as the standard to which every other sought to emulate. Their winning formula has been studied beyond sporting boundaries to help businesses and organisations find their own culture for success.

One thing I took from Gilbert Enoka's reflections was that for sustained high performance, it is important to regularly evaluate our performance. However, we need to guard against wholesale changes unless something is going radically wrong. Small improvements lead to long term sustainable success.

I sense that educational leaders are faced with this dilemma as more and more change is thrust upon the system. As gatekeeper of these changes, I remain steadfast in not messing with our "core". I refer to our mission of helping students to find and grow their greatness; promoting our core values of integrity, compassion and becoming powerful through learning; and most importantly placing students at the centre of every decision we make.

Our visit in Term 3 by the Education Review Office (ERO) affirmed much of

what we do. The reviewers were most impressed by our commitment to recognising progress and excellence. This report takes us nicely into the new strategic plan we are developing for 2026-2028. This will ensure we retain our status as an innovative school which provides students with opportunities to build strong foundations in their learning as they transition to senior colleges.

We are committed to creating a better and brighter future for all. This means that government targets will be met but even more importantly, we will strive to develop resilient, responsible, well-rounded individuals who are culturally inclusive, understand how they might contribute positively to the community and be well prepared for their future journey beyond our kura.

Te piko o te māhuri, tērā te tupu o te rākau.

The way in which you nurture the young sapling determines how the tree will grow.

Nga mihi, thank you to our tireless staff and supportive whānau. Your positive contribution has been invaluable this year as we continue our journey, focusing on not what, but who matters most.

Kia mana ake!

Ian Morrison
Principal Mission Heights
Junior College

Mrs Raeesa Dada, Mrs Ianny Greig-Pori, Mr Ian Morrison, Namulau'ulu Anne Singh, and Mrs Jenny Wang at the Te Moana-Nui-a-Kiwa Festival.

MESSAGE FROM THE School Board

Namulau'ulu Anne Singh JP

Kia Ora and Warmest Universal Greetings,

As this Board's term comes to an end, my reflection of our shared journey at Mission Heights Junior College has been guided by our vision of Growing Greatness. Toward this, we have worked with commitment and purpose; always keeping the wellbeing and success of our ākonga at the heart of our decision making.

I want to acknowledge the dedication of our fellow Poari members Paul Hale, Mātua Leeroy Hohepa, Jenny Wang, Ianny Greig-Pori, Staff Representative Douglas Choong, Student Representative Angela Wang; working alongside our Tumuaki Ian Morrison, Former Associate Tumuaki Naddy Naidoo, Current Associate Tumuaki Raeesa Dada, Ian's Senior Leadership Team, and Principal's PA / Board Secretary Charlene Sinclair. Their efforts and expertise have been instrumental in fulfilling our responsibilities to the community.

Together we have built on the solid foundations laid by our previous Boards, strengthening the path for future growth.

Our finances remain in excellent shape, with healthy reserves to safeguard for emergencies, support possible future building projects, and

keep our property and facilities well-maintained with projects delivered capably and within target. Related budgets have been closely monitored, ensuring resources are used strategically to advance teaching and learning.

Whilst our focus remains lifting the academic performance of our priority Māori and Pasifika ākonga, we are well on track to achieve the government's targets for all students' attendance, literacy and numeracy. Numerous cultural celebrations enrich school life, including Māori and Pasifika Hui, Matariki and Te Moana-nui-a-Kiwa Festival. Other exciting opportunities have been created for our students and teachers, from a community outreach project in Fiji to international representation at a conference in Singapore.

As a Board, we are particularly proud of our continuous commitment to honouring Te Tiriti o Waitangi and this was reflected both within the school environment and beyond. We not only integrated Te Mātauranga Māori within the Board's operations, we also celebrated and participated in Polyfest's 50th Anniversary with immense pride. We celebrated Matariki by having a shared hāngī with the

community after the launch of our Mission Heights Schools' logo sculptures and have supported noho marae.

Most importantly, our ākonga have remained at the centre of all that we do in accordance with NELP 1.

We have supported the management team to strive for excellence, upholding high standards, and ensuring a safe and inclusive environment for every ākonga. Our progress was affirmed in a very positive visit from the Education Review Office, which reflects the collective mahi of all Kaimahi involved.

As we conclude this chapter, I extend my sincerest gratitude to our Tumuaki Ian Morrison, his Leadership Team, and our Board for all their hard work, wisdom, and dedication towards our vision of Growing Greatness.

I look forward to seeing Mission Heights Junior College continue to build on these achievements and rise to even greater heights in the years ahead.

Kia mana ake!

Ngā mihi nui,

Namulau'ulu Anne Singh JP
Board Presiding Member

STUDENT Executive 2025

2025 has been a busy, yet exciting, year for the Executive Council, filled with opportunities to learn, grow our greatness and give back to the community.

As a team, we attended the GRIP Leadership Conference – a new experience for us all. We learned valuable lessons and leadership skills to implement in our school. The day was packed with valuable advice, and moments of reflection that helped us strengthen our connection as a team. This was a highlight of this year, as it made us critically think about how we could improve and make a difference at MHJC.

It was an honour to represent our school at the annual ANZAC Day Parade at Howick. Standing alongside members of our local community, we were able to pay tribute to the courage and sacrifice made by the ANZAC soldiers. This experience reminded us of our purpose as a leadership council of our school, and the values of respect, unity and service.

In late June, we also had the opportunity to work with the Māori and Pasifika Council and the Food Tech Council to help organise and host the first ever Matariki Dawn Ceremony. This event was filled with remembrance, hope for new beginnings and kai! We arrived at school at 5am to celebrate Matariki and unveil the new Mission Heights Primary and Mission Heights Junior College sculptures at the front of the school.

We were also proud to plan and organise several non-uniform days to raise money for Blind Low Vision Dogs and an Ormiston Senior College Scholarship. Throughout all these non-uniform days, we raised money for charities, both local and worldwide. Pink shirt day was a memorable experience for us all – an event that not

only brought valuable learnings about kindness and being an upstander, but the much anticipated colour run!

In August, we had the opportunity to collaborate with the student delegates who travelled to Hwa Chong Institution in Singapore to host the MHJC Student Leaders Conference. We met with students from Sancta Maria College, Ormiston Junior College, Albany Junior High School and Rototuna High School. Split into groups, we worked as one to find solutions to current problems in the world. This day was filled with much fun, new friendships and a profound sense of community as we worked in unity.

We were honoured to be members of the 2025 Executive Council! It was a fabulous year of learning.

Saunik and Tej laying a wreath at the ANZAC Day ceremony.

Members of the Executive Council organised non uniform days throughout the year to raise money for charities.

The 2025 MHJC Student Leaders Conference.

The Executive Council celebrated Matariki with a dawn ceremony and kai.

Members of the Executive Council played an integral part in Celebration Assemblies throughout the year.

A highlight from ANZAC Day 2025 in Howick Village.

The GRIP Leadership Conference.

HWA CHONG Leaders Summit

On the 16th of May, twelve MHJC delegates travelled to Singapore to attend the Hwa Chong Student Leaders' Summit.

The purpose of this leadership experience was to develop leadership skills by addressing current real-world problems and finding solutions within a school setting. The Summit spanned three action-packed days in which we developed abilities, broadened perspectives and made friends from around the world. This was an incredibly immersive trip, as we discussed pressing issues, such as technological growth, education, healthcare, culture and identity and many more topics.

Collaborating with delegates from other countries, opened our perspectives on cultures and school traditions outside of New Zealand. Every delegate was assigned to a different group, and we all gained confidence in impromptu speeches, formal discussions, deliberation, and organised activities. Other than the educational growth, we also experienced school hostel culture as we stayed in assigned dormitories for the week.

Outside of the Summit, we travelled the streets of Singapore and viewed world-renowned attractions. Some highlights were Universal Studios, Gardens by the Bay, Singapore Flyer, Ice Cream Museum (especially the sprinkle pit), Hawker Center and River Cruise. All delegates also formed deeper bonds that strengthened our sense of community, as we were all living and exploring together.

On behalf of all 12 of us, we can definitely say that this trip was one that perfectly combined educational growth and a whole lot of fun. Those seven days didn't last long enough, and we wish we could relive those experiences. A special thanks to Ms Hunter and Mr Taha, who were the teacher chaperones. All of us definitely recommend this trip to future Year 10s of MHJC, as it is an opportunity to develop life-long skills and form friendships.

Dia P., Mahala F., and Tej K.
10W1

FIJI OUTREACH Programme

Vinaka Fiji! An Unforgettable Outreach Journey

"He aha te mea nui o te ao? He tāngata, he tāngata, he tāngata."

"What is the most important thing in the world? It is people, it is people, it is people."

As the final bell of Term 2 chimed, signalling the start of holidays, a buzz of excitement filled the air for ten fortunate delegates from our school. We weren't just heading home; we were embarking on an unforgettable journey to the breathtaking islands of Fiji. This wasn't an average school trip; it was an Outreach Programme, designed to immerse us in diverse environments, vibrant cultures, and connect us with incredible people.

Our Fijian adventure kicked off with a stop at the magnificent Nadi Temple. We wandered through its sacred halls gaining a fascinating insight into the Hindu faith. From there, we ventured into the heart of Fijian heritage at the Fiji Culture Village. We were greeted with a warm performance that transported us to a world of ancient traditions. A captivating tour followed, unveiling the secrets of Fijian culture, passed down through generations. We even got our hands dirty, molding clay, learning the art of weaving flax, and unleashing our competitive spirit in a hilarious game of "smash the coconut"!

The sun-drenched shores of Denarau Island beckoned us next. We indulged

in some retail therapy at Port Denarau, picking up souvenirs. The iconic Bula Bus became our chariot, ferrying us past luxurious resorts and showcasing the island's stunning scenery. Along the way, we made impromptu stops at charming roadside markets, sampling an array of tropical fruits and local snacks. Our quest for the legendary Fiji ice blocks led us through Sabeto, before our next adrenaline-pumping activity: the Sabeto Zipline. After our thrilling aerial adventure, a quick lunch fueled us for a picturesque 20-minute hike to a hidden waterfall.

The purpose of our trip began on the 4th day, as we headed to the Golden Age Home in Lautoka. We began by

sharing a heartfelt Waiata, introducing ourselves, and presenting the residents with thoughtful hamper packs. Then, it was time to roll up our sleeves. We diligently cleaned windows, polished tables, and cleared fallen leaves; transforming their living space into a brighter, more comfortable environment. More importantly, we sat and chatted with each resident, colouring with them, and listening to their stories. It was a humbling experience, giving us a firsthand look at the challenging conditions some elderly individuals face and highlighting the stark differences in living situations compared to what we know back home.

The following day brought a change of scenery. We journeyed to Sigatoka, arriving at Nadroga Arya College. Stepping into their classrooms, we gained a unique insight into the Fijian

education system. We bonded with students our age, exchanging stories about school life and sharing experiences. Later, we joined a Year 11 class for some gardening, helping to plant vegetables, water the beds, and clean up the garden plots.

Finally, we visited Nadroga Sangam Primary School to extend a warm "Kia ora" to the eager young students. We spent time chatting with them, sharing stories about our lives, and in turn, listening intently to theirs. We even had a bit of fun, testing them on their timetables and learning some new Fijian songs together. Our last act of service took us down a long highway for a roadside cleanup. We

meticulously picked up bags and bags of rubbish, leaving the roadside significantly cleaner than we found it.

This Fiji Outreach Programme was an eye-opening experience. It allowed us

to witness firsthand the diverse living spaces and environments that exist beyond our own bubble. More importantly, it empowered us to make a tangible difference and create positive change in the communities we visited. We left our mark, not just on the landscape, but on the hearts of the people we met. We learned invaluable lessons, shared countless laughs, and created memories that will forever be etched in our minds. As we close this chapter, we carry with us a deeper understanding, a stronger sense of empathy, and a profound appreciation for the power of connection. Ka pai to Mrs. Ismail and Mr. Kumar for providing us with an amazing experience. Vinaka Fiji!

**Kerasya N.
10F1**

TAKUTAI Whānau

Takutai Whānau started the year with an exciting day trip to Omana Park. Under a hot summer sun, students and teachers gathered for a day of beach activities. It was a great opportunity for everyone to get to know each other better and build new connections. The day was a huge success and set the tone for a year full of fun and whānau spirit.

The adventure continued for our Year 7 students with an unforgettable trip to Camp Adair in the Hunua Ranges. The week was packed with thrilling activities, from air rifle shooting and a muddy confidence course to kayaking, rock climbing, abseiling, and camp cooking. One of the highlights was the hillside mudslide, which provided plenty of laughter and splashes! The Year 7 camp was all about building resilience, confidence, and teamwork, with Year 7s rising to every challenge.

Later in the year, our Year 7s also went on a Stardome trip which aligned to their Matariki context.

Meanwhile, the Year 8s spent two intense days honing their biking skills on a road safety workshop. In Term 2, the Year 8s also enjoyed an exciting trip to the Science Roadshow, where they explored interactive exhibits and hands-on activities that sparked curiosity and deepened their understanding of scientific concepts.

To balance the scientific thinking and learning, the Year 8s went on a Spanish trip where they were shown an array of Spanish and Latin dancing styles. They got to practise and show off their new moves to each other, which inevitably ended in heaps of laughter.

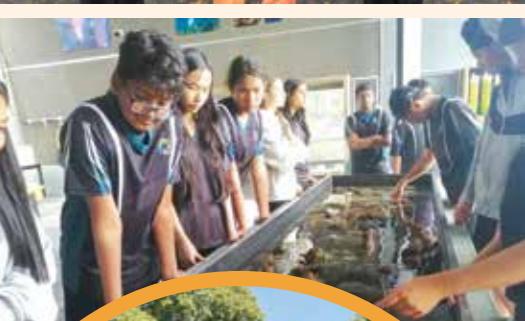

The Year 9s had an unforgettable trip to Goat Island, where they learned to snorkel and explore the vibrant marine life. They saw schools of snapper, mao mao hiding in the kelp forests, and even shy eagle rays. They also visited the Goat Island Education Centre, where they learned about kina barrens and the vital role kelp forests play as nurseries for young fish. It was a perfect blend of hands-on learning and exciting marine exploration, making the trip a highlight of the year.

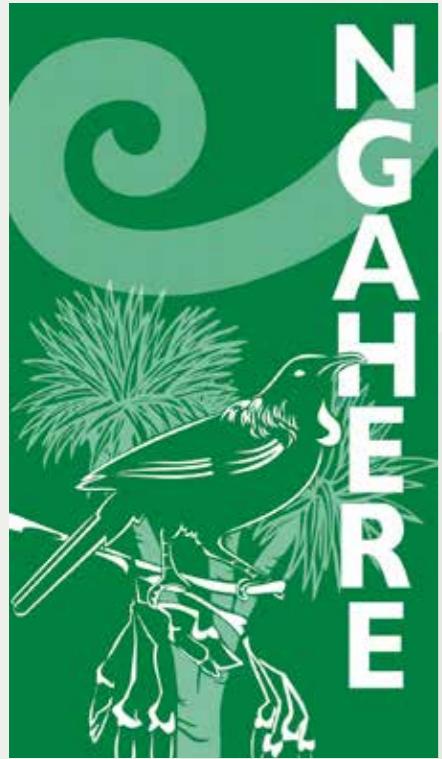

Our Year 10s took on an epic challenge, exploring the world-class climbing experience at Wero Climb; a 16-meter-high climbing structure featuring over 70 unique challenges. Our Year 10s seized this opportunity, finding strength and resilience they didn't know they had. This was followed by a

trip to Spookers, which was fitting with their Halloween context. They were frightened as they wandered through the infamous 'Haunted House' and they learnt make-up tricks that transform actors into characters on horror movie sets.

Together, these experiences have made this school year a remarkable one for Takutai Whānau. Throughout these experiences, our students have consistently displayed our school values of awhinatanga (compassion), pono (integrity), ako (learning to learn), and wananga (lifelong learning). Whether it was cheering each other on at Camp Adair, demonstrating exceptional grit while sky-walking at Wero Climb, or engaging in wananga at Goat Island, our students embodied these values in every aspect of their school life.

A heartfelt thank you to our Year 10s for their care and leadership toward our junior students. Your awhinatanga has made a lasting impact, and we wish you all the best for your senior college journey.

NGAHERE Whānau

The whānau spirit of Ngahere was on full display this year, starting with a memorable trip to Panmure Lagoon. Students and teachers alike came together, strengthening our sense of whanaungatanga while enjoying a day of swimming, games, and shared company. It was the perfect start to a year filled with learning, laughter, and lasting memories.

Year 7

Our newest students, the Year 7s, quickly found their place and built strong friendships. A huge highlight was the Term 1 trip to Camp Adair, where the Year 7s were challenged on the confidence course, honed skills with camp cooking, and enjoyed some friendly competition at the Quiz Night. The scary high swing was a test of courage for many, and everyone returned feeling more at home within Forest Whānau. Throughout the year, learning contexts like

"Tūrangawaewae," "Ngā Whetū o Matariki," and "Impactful Youth" provided rich, authentic learning opportunities, setting a great foundation for their time at MHJC.

Year 8

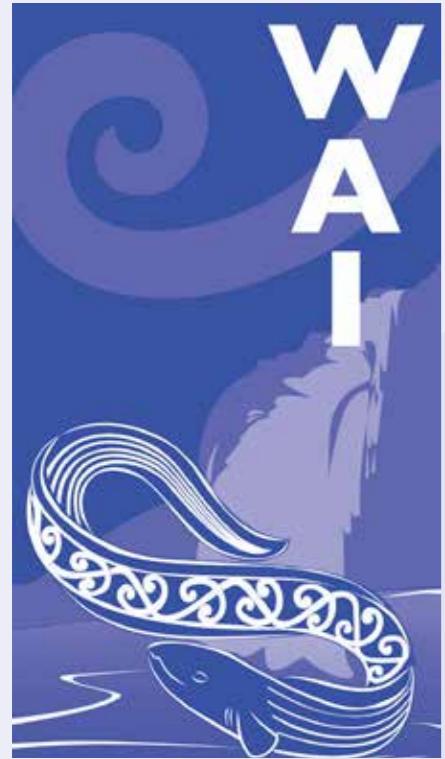

Our Year 8s embraced their role as guardians of the environment during their "Kaitiakitanga" context. A fun day trip to Goat Island Marine Reserve allowed everyone to learn about our local marine life and what we can do to protect it. The Year 8s also showed off their moves, learning and practicing

Spanish dance styles, and enjoyed the challenges of the "Manu tukutuku o Matariki" and "Survivor!" contexts.

Year 9

In "The Social Dilemma" context, our Year 9s developed a critical understanding of how social media and advertising influence our lives as consumers, with some students visiting Botany Town Centre to see this first hand. Stunning artwork was created for the "He Taonga Tuku Iho" context, where the classes explored the geometric concepts in Māori

WAI Whānau

What an amazing 2025 it's been in Wai Whānau!

This year was packed with rich and varied learning experiences, both inside and outside the classroom, helping our learners thrive. Our contexts were designed to help students connect knowledge from different subjects and apply their skills to real-world issues relevant to Aotearoa and the wider world. These experiences were not only educational, but also a lot of fun.

Year 7

In Term 1, the Year 7s explored "Turangawaewae, the place we stand". We also enjoyed Big Splash Day Out, a fun pool day, and our Year 7 camp, which was packed with fun activities. Term 2's context was "To the Stars and Back," which was a space-themed

context. We visited the Buddhist Temple to learn values and to become better people. Term 3 brought, "The Power of Sport: More Than a Game," where we learned the values that are taught through playing sport. To celebrate the end of year and living in Aotearoa, we had a fun day out called 'The Great NZ Road Trip' at Barry Curtis Park.

Saathuriyan S. and Veer C.

Year 8

This year, the Water Year 8s had eye-opening contexts. In Term 1, our context was "Pūngao: Powering Aotearoa." To align our work with this context, we learned about giving power to the people by studying the Polynesian Panthers and the Black

Civil Rights Movement. In Term 2, our context was "Wayfinders – Whakatere," where we prepared oral presentations referencing whenua and Aotearoa landmarks. Term 3 was filled with enlightening activities like studying human anatomy and presenting global disaster cases that reflected our term's context, "Natural Disasters."

Eelana D. and Faith Y.

Year 9

In Year 9, our contexts focused on "He tāonga te wai", "To Infinity & Beyond", and "Our Place, Our Planet, Our Choices". In Term 1, we explored "He tāonga te wai" and enjoyed a fun trip to

the Panmure Pools. In Term 2, we focused on "To Infinity & Beyond" and visited Stardome, which included a walk up One Tree Hill. In Term 3, our context was "Our Place, Our Planet, Our Choices," where we explored by planting trees. We had a great year in Water and look forward to next year as Year 10s.

Bella G. and Gurleen G.

Year 10

Each term brought something new and interesting for our Year 10s! Term 1's context, "All Hands on Deck," had Year 10s stepping up as leaders at camp for the Year 7s, and we finished the term

with Waka Ama. In Term 2, our context was "Hiwa-i-te-rangi – aspirations for the future," where we set goals and tackled overfishing. Term 3's focus was "Teamwork makes the dream work." We focused on a handball tournament and explored the All Blacks brand before visiting the awesome All Blacks Experience at Sky City. What a year!

Hayley T. and Shakeeba B. and Juanisha N.

It's been a truly memorable year filled with growth, learning, and fun for all our Wai Whānau students! We wish our Year 10s a new and exciting journey as they head off to senior college.

MAUNGA *Whānau*

Kia ora, what a thriving year it has been for Maunga Whānau!

We kicked things off with a bang and a splash, setting an incredible pace for the months ahead. Our year began with a spectacular display of unity and the true spirit of "He Waka Eke Noa" as we formed a giant "2025 MHJC" on the field to celebrate the Year of the Snake – an amazing aerial sight that wished prosperity on all our families. The fun continued with a fantastic team day at the lagoon, where we had lots of laughter and bonding together.

This energy exploded into our learning!

Year 7s built their Turangawaewae at the thrilling Camp Adair, where they forged new friendships and discovered their place to stand. Year 8s became urban explorers in Term 1, discovering Tāmaki Makaurau from the ground up by uncovering volcanic secrets and connecting with our city's history at the awesome Auckland Museum.

Year 9 students made waves by diving into "Wai Safety". Students were transformed into confident and skilled water safety advocates, with a brilliant trip to Goat Island putting their learning into action. Our incredible Year 10 students truly "Levelled Up" with their growing leadership. Through this context they mastered the art of teamwork and

communication during an empowering Waka Ama voyage, emerging as true leaders for our school.

The adventures kept coming for Mountain Whānau students in Term 2. Who could forget our Year 10 students conquering the forests and forces of Rotorua, or our Year 8s getting hands-on with the RNZAF's 'School to Skies' programme, where they explored plane cockpits and were taught to dream big. The Year 7s learning journey took them to Stardome which brought their Matariki studies to life.

A truly unique Term 3 highlight was our whānau's Digital Detox journey, which culminated in a fantastic device-free day. We swapped screens for sunshine, connecting in real life through Taichi, team-building games, knuckle bones, and a fun-filled karaoke and Amazing Race challenges! It was a powerful reminder of the joy and energy found in our real-world community.

2025 has been an amazing chapter filled with joy, discovery, and pride. Well done to every student who gave their all and made this year so unforgettable. Also, congratulations to our Year 10 students, who have been incredible leaders. We wish you all the best in your future education!

LEADERSHIP THROUGH *Service*

'Leadership through Service' is one of the four MHJC Cornerstones areas.

At MHJC, every student has the ability to be a leader, grow their greatness and show their leadership through service. This year has once again shown how our students step up, take initiative, and make a positive difference both in our school and beyond.

In 2025, more than 200 students took on roles in 24 different councils, demonstrating leadership through service in many areas of school life. From Whānau Councils and Sports Council, to serving as Bike Ambassadors and Food Tech Monitors, students stepped up to contribute their time and skills. They played vital roles in planning and running significant events throughout the year, while others showed leadership every day as road wardens, whānau monitors, or library helpers. Together, their service has helped shape the culture of our school and created opportunities for others to thrive.

A highlight every year is the Year 7 Camp, which would not be possible without our incredible Year 10 camp leaders. These students dedicate their time and energy to making the camp

experience exciting, safe, and memorable for our Year 7s. Their enthusiasm, care, and selflessness never fail to impress. To prepare for the challenge, camp leaders attended a special training day at Adrenaline Forest, building their confidence and teamwork before taking on their camp leader roles.

Another inspiring example of leadership came through the 40 Hour Challenge. Over 50 students took part by giving something up for 40 hours to raise money and awareness for families in the Solomon Islands affected by climate change. Together, our school raised an incredible \$3642. These funds will provide families with tools and seeds to grow climate-smart crops, ensuring they have reliable sources of food for the future. Mangroves will also be planted to protect gardens from rising sea levels and to attract fish back to the shore. Congratulations to Kersaya Naidoo (10F1), who raised an amazing \$675 on her own!

All students had the opportunity to participate in several non-uniform days throughout the year; each dedicated to

raising money for a worthy cause. Pink Shirt Day is always a highlight and it was great to see so many students get involved by wearing pink, spreading positive messages and taking part in the Colour Run. In Term 3, a group of Year 10 students showed initiative and creativity by organising a staff vs. students benchball game. This lively event brought our community together while raising money for UNICEF to support children affected by conflict around the world. It was a wonderful example of students using their passion to make a positive global impact.

We are also proud of those who dedicated time to programmes such as the Student Volunteer Army and Trees for Survival, extending their service beyond the school gates to make a difference in the wider community.

No matter the role, big or small, these acts of service shape the culture of our school and show that at MHJC, there is never a shortage of students willing to step up and lead. He waka eke noa!

ACADEMIC Extension

'Academic Extension' is one of the four MHJC Cornerstones areas.

Academic Competitions

This year has been a remarkable one for our students in academic competitions. Across subjects and year levels, our learners showed curiosity, perseverance, and a real appetite for challenge. From spelling bees to Olympiads, the dedication of students and the support of teachers and whānau, made 2025 a year of both achievement and pride.

Term 2 Achievements

The year began with momentum, as students dived into Science, Technology, and English challenges. In the Big Science Competition, students achieved 13 Participation, 9 Credit, and 1 Distinction level awards.

Our mathematicians and coders also shone in the Computational and Algorithmic Thinking (CAT) Competition, earning 3 Credits and 2 Distinctions.

The Great Kiwi Competitions once again attracted huge participation. In the English Competition, students gained 18 Achieved, 8 Merit, 6 Distinctions, and 1 Excellence. A similar number joined the Maths Competition, showcasing persistence and problem-solving skills. The Science Competition produced impressive results: 11 Achieved, 3 Merit, 1 Distinction, and a remarkable 10 Excellences.

Spelling talent was on display in the Aotearoa Spelling Bee for Years 9 and 10. Out of 39 entries, Jason Pham and Teresa Song advanced to the semi-finals. What a fantastic accomplishment!

Term 3 Achievements

By Term 3, attention turned to ICAS competitions. In Digital Technology, MHJC students gained 2 Distinctions, 1 Merit, and 5 Credits. English produced 8 Credits, 5 Merits, 2 Excellences, and a High Distinction for Year 8 student Anjali Mathew. Amazing results also came in ICAS Writing with 5 Distinctions, 2 Merits, and 6 Credits. ICAS Spelling produced 4 Distinctions and 4 Credits. ICAS Science and Maths both had incredible results too!

The Australian Mathematics Competition saw a record 75 participants from MHJC. This group had incredible results with 25 Credits, 27 Proficients, 9 Distinctions, and a High Distinction going to Claire Zhang. Three students took on the challenging Australian Informatics Olympiad, while 19 attempted the Intermediate Mathematics Olympiad. In the Great Kiwi Spelling Bee, 25 Year 7 and 8 students represented MHJC, with results pending.

EPRO8

Engineering skills were on display in the EPRO8 Challenge. Our first Year 9 team of Leon Qiu, Vihaan Chandwani, De'jon Nikolao, and Raymond Wang placed 3rd and qualified for the semi-finals. Hot on their heels, the second team of Ayaan Bhatia, Caramel Williams, Ryan Nguyen, and Saharsh Veerla secured 4th place. A brilliant effort from both groups.

Mathematics and Mathex

Mathematics remained a strength. Over 130 Year 7 and 8 students tackled the Junior Otago Problem-Solving Competition, while 40 senior students tested themselves in the Otago Mathematics Competition.

Our annual Mathex tournament is always a highlight, with teams competing from each Whānau. Congratulations to the following teams who won their respective year group categories.

Year 7 – 1st Place – Forest and Coast Whānau

Year 8 – 1st Place – Forest Whānau

Year 9 – 1st Place – Forest Whānau

Year 10 – 1st Place – Coast Whānau

A further congratulations goes to those students who took part in the Regional Mathex Competition.

Science Fair

In Science, more than 150 ākonga participated in the School Science Fair, with winners progressing to the South East Regional Fair. Their journey highlighted that Science is about curiosity, resilience, and the courage to keep asking "what if?"

"Mā te kimi ka kite, mā te kite ka mōhio, mā te mōhio ka mārama."

(Seek and you will discover, discover and you will know, know and you will understand.)

This whakataukī captures the very essence of Science – a journey of discovery where every question leads to deeper understanding.

Congratulations to all students who participated. You have inspired your peers, made your teachers proud, and set the bar high for years to come!

TOURNAMENT of Minds

MHJC had four teams compete in the Tournament of Minds competition this year.

Students worked in groups for six weeks preparing for the competition. They created scripts, props, costumes, STEM models, and musical performances in order to respond to open-ended creative problem solving challenges. Three of our teams placed at the Regional Competition. Our Secondary Arts team placed 3rd, the Intermediate Language Literature team placed 2nd, and the Secondary STEM team placed 1st – meaning they travelled to Wellington in September to compete in the National Competition. At this National Competition, our team placed an impressive 3rd.

CULTURAL Activities

'Cultural Activities' are one of the four MHJC Cornerstones areas.

The Cultural Council had an incredible year, bringing students together to celebrate diversity and promote inclusivity. Our two major events, the Cultural Dress Day Parade and the Colour Run, truly highlighted the vibrant spirit of our school community.

The Cultural Dress Day Parade was a spectacular showcase of our school's rich cultural tapestry. Students and staff proudly wore their traditional attire, sharing stories and celebrating their heritage. The parade was more than just a fashion show; it was a powerful reminder of the beauty of our differences and the strength of our unity.

Our second big event, the Colour Run, was a huge success, blending fun, fitness, and a powerful message of community. Participants ran through clouds of vibrant, coloured powder, representing our shared journey and the diverse threads that make up our school. It was a day of laughter, teamwork, and of course, lots of colour, reinforcing the idea that we are all part of one big, colourful whānau.

A huge thank you and congratulations to all the students and staff who participated and made these cultural events so special. We can't wait to see what next year brings!

SPORTING Endeavours

'Sporting Endeavours' form a key component of life at MHJC and they make up one of our Four Cornerstones areas.

MHJC had another fabulous year in the sporting world. As sport continues to flourish at MHJC, our athletes continue to take risks, break new records, and grow as exceptional young athletes. Here, we look back at some of the sporting highlights from 2025.

SEZ Year 8 Girls Football

Our Y8 Girls Football team competed in the South Eastern Zone Football Tournament. The team was captained by Natasha Caddy with support from student helpers – Ekamdeep Sangha and Alica Caddy. The team had a strong win to start the tournament, as well as some tough competition later in the day. They finished 2nd overall in their pool and qualified for the 4th/5th play-off spot, finishing the day in 5th place overall. A great showing that will continue to help grow girls football at MHJC.

SEZ Year 7 Boys Football

The Year 7 Boys Football team had a busy SEZ Tournament, with strong competition against all the teams they faced. Top scorer for the day was from Zeeshaan Davids, who took his chances from long range. Well done to Zayyan Farooq for playing in goal for all games. The boys are already looking forward to the SEZ Tournament as Year 8s!

SEZ Year 8 Boys Football

The MHJC Year 8 Boys Football team displayed an impressive performance at the South Eastern Zone Tournament held at William Green Domain. Throughout the competition, the boys exhibited exceptional football, combining talent, cooperation, and perseverance. Out of six intense pool matches, the boys suffered just one narrow loss. Despite their strong performance and accumulating 12 points, the team narrowly missed out on a spot in the semi-finals. The squad not only competed with heart and talent, but also exemplified outstanding sportsmanship throughout the day. Their commitment in preparation and efforts on the field reflect the true spirit of MHJC.

Senior Boys Football

Our Senior Boys Football team had a challenging winter season in the College Sport Competition. Thank you to Mr Ashrit Kumar for coaching. The team showed determination and our MHJC school values in all fixtures. The boys look forward to the 2026 season.

Senior Girls Football

Our Senior Girls Football team placed 1st in the College Sport Counties Manukau Junior Girls Football Competition. They constantly showed determination and dedication to improve. A huge thanks to Ms Laura Suominen, Mrs Raeesa Dadda & Mr Raj Sharma for their tautoko/support of our girls football throughout a long, but successful and exciting season.

Boys Hockey

Our U15 Boys Hockey Team had a strong season. The junior players selected to our senior team showed immense dedication to their improvement. A highlight of the season was the performance of our defensive players, which minimised chances for all opposition teams. It was a great season, and we look forward to continuing to grow into 2026.

Basketball

Year 9 & 10 Basketball started strongly in 2025 at MHJC, with 3 teams entering the College Sport Counties Manukau competition at the Pulman Arena. Our Senior Girls and Senior B Boys placed strongly in their respective pools. Our Senior A Boys also finished strongly, led by Shiv Patel and Tane Hetaraka. In Year 7 & 8 Basketball, we had 7 teams playing in the Underdog Basketball Term 2 competition and 6 teams playing in the developers' grade hosted at MHJC on Wednesday nights; with 80 students playing every week! Our MHJC Aces (who also competed

Rototuna Junior High School – Sports Exchange

The annual Rototuna Sports Exchange happened at the end of May, with MHJC hosting athletes from the Hamilton school. It was a memorable experience, especially for the Year 10 students involved. All athletes played incredibly hard across all sporting codes and showed great sportsmanship. We look forward to continuing this annual tradition in 2026.

Girls Hockey

Our U15 Girls Hockey Team had a fantastic season! The team came together with great energy, teamwork, and determination. They shared lots of exciting wins and have grown stronger with each game. Top goal scorers were Priya O'Brien, Bella Graham and Anna Eckardt. A big shout out to our novice goalkeeper Mckhyla Flores, who did an incredible job this season.

The girls are proud of how far they've come and are excited to keep the good vibes and great hockey going into 2026!

in the AIMS Games) participated in the Challengers Grade at Pakuranga College. It was a tough start for the Aces. A lot of development has taken place amongst the team, with Captain Isaac Poppelwell, Ieremia Lowrey and Aidan Chen providing endless energy and enthusiasm.

Our Year 8 Basketball Girls completed at the South Eastern Zone Tournament. Congratulations to these girls for showing great teamwork, enthusiasm, and determination throughout the competition. They placed an impressive first in their pool and second place overall.

Senior Netball

Our Premier Netball team had an incredible season, competing in the Year 10 B Grade competition every Saturday. The girls showed great skill, teamwork, and determination throughout the season, finishing an impressive 2nd overall. This is an outstanding achievement, especially considering that many of the players are Year 9 students competing against older teams. The team trained hard twice a week and consistently demonstrated our school values both on and off the court. Their commitment, resilience, and ability to perform at a high level makes us extremely proud of their success.

In Term 2, our Netball Teams were fortunate to take part in a special training session with Silver Fern Maia Wilson and Stars player Lisa Mather. Students had the opportunity to learn from the best, taking part in a range of games and drills that helped them develop new skills and deepen their understanding of the game. It was an inspiring and memorable experience for all involved.

Junior Netball

This year, our Year 7 and 8 Netball teams represented MHJC with pride, commitment, and determination. From May through to September, our players competed every Tuesday night, giving their best, both on and off the court. Their dedication to early morning trainings paid off, with both teams performing strongly in their respective grades. A highlight of the season was our 8A team, which competed in the highly competitive A1 grade, while our B team impressed with excellent results in their division. At the South Eastern Zone competition, our players shone brightly. Our Year 8

girls placed 3rd overall, our Year 8 boys claimed 1st place, and our Year 7 girls also secured 1st place. It has been a rewarding season in which all players have not only grown in skill, but also consistently demonstrated our school values throughout their games and training.

Gymnastics

Two Year 10 students had fantastic results competing at the College Sport Gymnastics Auckland Championships. We are thrilled to celebrate the outstanding achievement of Paige Roberts, who competed in the College Sports Women's Artistic Gymnastics (WAG) Step 7 Competition. Corey Reed also competed and finished with an impressive Second place in his Men's A Grade Artistic Gymnastics.

SEZ Badminton

Our school proudly participated in the South Eastern Zone Badminton Tournament, competing against 10 schools from the region. Our boys' doubles team represented us well. Our girls' doubles team, Samaaira Chatrath and Chloe Li, secured an impressive 2nd place. Four dedicated players also took part in the singles matches. Congratulations to all our players for their outstanding effort, teamwork, and sportsmanship!

Orienteering

During Term 1, MHJC had 42 athletes competing in the Orienteering sprint series. During this competition, our athletes compete weekly on school courses around East Auckland. Congratulations to Shivam Mistry, Raymond Wang, Aayat Khan, Avneet Kaur, Janelle Luong, Bella Graham, Samaira Puri and Eon Zeng who competed at the Auckland Championships in Waiuku Forest.

Our Year 7 and 8 teams competed at the SEZ Orienteering Championships. Congratulations to our Year 8 Boys team who qualified to compete at the Auckland Championships.

Athletics

Our MHJC Athletics and Tabloid events take place in Term 4, after publishing. These events are always highlights on the calendar and are a fun-filled and competitive way to cap off the school year.

Cross Country

Throughout the year, eager runners participated in the MHJC Running Club. Before school once a week, these students showed their passion for running by completing various courses around our local neighbourhood in order to grow their endurance. A great commitment to our Cross Country development.

Our MHJC Cross Country took place in Term 2, on a rather wet and windy winter day. Athletes embarked on a new course, and new course records were set. Special mentions for the day included the Year 9 Girls Cohort in Wai Whānau, who were the cohort that accumulated the most points and the top 3 finishers in each race, who received a medal. A big congratulations to Forest Whānau for winning the day.

Following our MHJC Cross Country event, our junior runners competed at the South Eastern Zone Cross Country Championships and this year we had a winner! Congratulations to Libby Bowers for placing 1st in the Year 7 Girls race.

AIMS Games

Netball

Netball had an outstanding week at the AIMS Games 2025. Our players worked incredibly hard, showing grit and determination both on and off the court. Being away from home from Sunday morning until Friday night was a big commitment, but everyone rose to the challenge. The team represented MHJC with pride, consistently upholding our school values and supporting one another as a true team. We are especially proud to celebrate their success in finishing 2nd overall in a national tournament, an incredible achievement that reflects not only their talent but also their dedication and character.

Basketball

Our Boys Basketball Team had a fantastic week at AIMS. After a tough pool round, the boys came away with two well-deserved wins and two very close losses, earning a place in the plate competition in the top half of the draw. They finished 47th overall which is a great result in a national event.

The standard of play was the best they have shown all season. Each game saw the team's confidence grow, and by the end of the week their teamwork was outstanding. Even in challenging games, the boys displayed energy, resilience, and true sportsmanship. Isaac Poppelwell captained the team brilliantly, ensuring everyone was included and supported. It was an amazing week of growth for all boys.

Individual Success

Congratulations to our Cross Country Athletes for running their best on the first weekend of AIMS in rather wet and wild wintery conditions. Our Table Tennis athlete, Arjun Talwar, had an incredible showing too. And congratulations to Anjali Mathew who completed in the Swimming competition.

Lillie Punnett competed in gymnastics and placed 2nd overall in her level. She placed 1st in beam and 3rd in vault. Congratulations Lillie.

CELEBRATING *Pasifika Culture* AT MHJC

This year we celebrated the strength, pride, and spirit of our Pasifika community.

From traditional dances and songs, to shared food, Pasifika culture was at the heart of many school events. Students showed their creativity and leadership by embracing their heritage and sharing it with others, reminding us of the values of family, respect, and unity. Students have taken pride in sharing short informative videos and quizzes with our school community and dressing up to promote each Pasifika Language Week. Our amazing students also worked hard on our annual Te Moana-nui-a-Kiwa Festival. This event was held early in Term 2, where our aiga joined us at school for a day of dance, delicious kai and family time. Our Māori and Pasifika Student Council have worked hard to cement this as a key event held every year at MHJC!

CELEBRATING *Te Ao Māori* AT MHJC

2025 has been an incredible year for Māori culture and celebration at Mission Heights Junior College. Our ākonga have embraced every opportunity to connect with Te Ao Māori, showcase their talents, and celebrate together as a community.

One of our biggest highlights was taking the stage at Polyfest for the second year in a row, alongside Ormiston Junior College and Ormiston Senior College. With months of hard work and commitment, our rōpū came away with outstanding results – placing 1st in our pool and 5th overall in our division, out of 30 schools!

Earlier in the year, we held a week-long celebration of Matariki, beginning with a noho and a special Hautapu dawn ceremony. Ākonga and some kaiako worked together to prepare and enjoy hāngī, while the whole school showcased their Matariki learning to our community. We also attended the Queen's Coronation, proudly representing our kura, and continued our journey through regular fortnightly noho, where our kapa haka group trained with passion and discipline.

Throughout the year, our school has come alive with cultural activities. From fried bread and poi workshops to waiata, haka, Ki-o-rahī, and whole-school haka moments, every ākonga had the chance to learn and celebrate Māori culture. Māori Language Week added even more opportunities to connect, share, and honour our taonga tuku iho (treasures passed down).

To close the year, our joint kapa haka rōpū, Ngā Pou Kahikatea, proudly performed at the Ahurea Tino Rangatiratanga Festival.

Ngā mihi nui to all our kaiako, whānau, and ākonga who supported these kaupapa. This year has truly shown the mana and pride of our Māori culture at MHJC.

TALENT Quest

On Thursday 19th June, the day before Matariki, we held "A Night with the Stars", the 2025 MHJC Talent Quest.

The evening was a huge success with 14 amazing acts that showcased a diverse range of singers, dancers and musicians. Our judges had a tough evening deciding on our winners, but a huge congratulations to Alan Lu for taking first place with his impressive K-Pop Dance! We also recognised the following students for their amazing performances:

Rising Star: Lillie Punnett – Dance

Highly Commended: Kersaya Naidoo – Singing

Highly Commended: Lawrence He – Piano

3rd Place: Teresa Song – Contemporary Dance

2nd Place: Mckhyla Brielle Flores and Jathniel Goundar – Piano, Vocals and Drums

1st Place: Alan Lu – K-Pop Dance

Our special guest performer, ex-student Salote Lavemai, returned to share her beautiful voice with us. The evening was a huge success and showcased the amazing and diverse talents we have here at MHJC!

MHJC Staff

Welcoming Staff

We would like to welcome the following staff members, who have joined us throughout the course of 2025:

Michelle Moth, Jess Renata-Paul, Minzhen Li, Sachida Naidu, and Rozila Ram.

Mr Naddy Naidoo

Mr Ian Morrison farewelling Mr Naddy Naidoo.

Mr Naddy Naidoo's farewell as MHJC's foundation Deputy Principal/Associate Principal.

"Hurihia tō aroaro ki te rā, tukuna tō ātārangi kia taka ki muri i a koe".

"Turn your face to the sun, and let your shadows fall behind you".

Ten Year Awards

Congratulations to our 10 Year Long Service Award recipients for 2025 – Ian Morrison, Olivia Young, Gill Bartlett, Sibylle Townsend, Aly Grant, and Joan Clansey.

Farewelling Staff

This year, MHJC farewelled two long service staff members.

Naddy Naidoo – Foundation Deputy/Associate Principal appointed in 2008.

Reshmika Lal – Teacher, Whānau Assistant Principal and Cross School Deputy Principal appointed in 2008.

Yearbook Tribute to Mr Naddy Naidoo

At the end of Term 1 this year, Mr Naidoo officially ended his time at MHJC. Mr Naidoo, as our Associate Principal, has been one of the most influential people who, through ideas and action, shaped the school's culture, learning and physical environment. Mr Naidoo worked closely with the foundation Principal, Joan Middlemiss, her successor, Mr Ian Morrison, and senior leadership teams. Both Principals and leaders have been immensely grateful for Mr Naidoo's contribution to the school, and also for the personal support they received as they navigated the many challenges that came our way over the schools' 17 years.

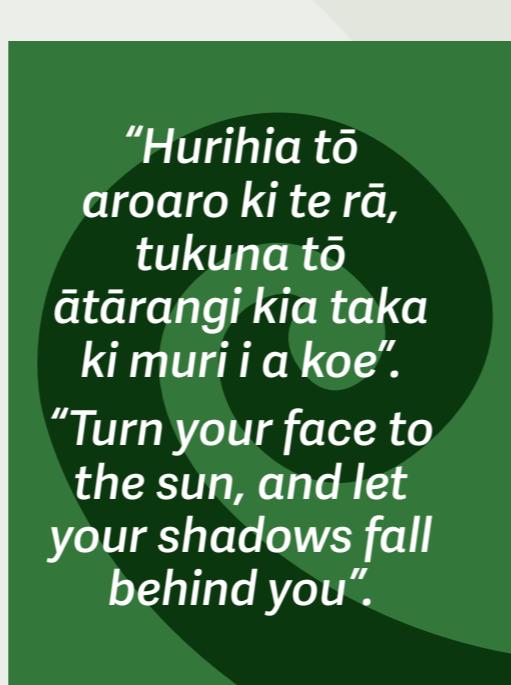

Mr Naidoo can feel very satisfied with the outcome of his hard work and dedication. He leaves a school which continues to promote our vision and innovative curriculum delivery. We will miss him and wish him well in the next chapter of his life.

Congratulations

Ka pai to Lachlan Mitchell and Zuhaiib Ahmad who received their full Teaching Registration this year.

Professional Learning Focus

The focus of kaiako PLD in 2025 was purposeful acts of teaching. Time was spent reflecting and refreshing classroom teaching practices that support the diverse needs of ākonga. We are fortunate to have a range of in-house experts who stepped up to run PLD sessions throughout the year. Our Mathematics and English kaiako were also busy with 'ALiM' and 'ALL' PLD, respectively. This MoE funded PLD meant kaiako could work with small groups of ākonga to accelerate learning in mathematics and literacy.

YEAR 10

Takutai LEAVERS

Where do you see yourself in 10 years?

10C1

Bonesetter, Dan
I will help my parents retire.

Chaudhary, Tanvi
I will be happy and healthy.

Dass, Suhana
I hope to be working my dream job.

Eckardt, Anna
I want to be successful.

Ghezzi, Xavier
I will be out of this country, travelling the world.

Goundar, Jathniel
I'll be drumming for Coldplay.

Gupta, Dia
I want to be happy and successful in life.

Hayer, Pahulpreet
I'll be working a job I love.

Jarvis, Lucille
I hope to be happy.

Agarwal, Ayaan
I'll be living a good life with family and friends!

Altaf, Hamed
I'll be a Pro Footballer! Born to stand out, raised to never back down.

Chhun, Clifton
Playing professional American Football, chasing wins, and making plays.

Fiammengo, Samuele
I wish to become an athlete.

Guo, Yijia
I think I will be working and living happily.

Hermanto, Kayla
I'll be with friends and family – the fate that brings us together is not a cord so easily cut.

Kaur, Gurmannat
I want to be finished school.

Khamphawa, Frookie
I want to be an IT worker. School life was the best life.

Kharbutli, Dunia
I am hoping to be a football player.

Matamu, Cavalli
Making my Mum and Dad proud.

Mehrzada, Madina
I want to have a successful career.

Moodley, Keeran
I'll be thinking about those Lost Summer Dayz.

Kaur, Anhadjot
Living in my own place, working hard, and becoming someone I'm proud of.

Kundu, Uday
I see myself working in the family business – Waiheke Island – Movenpick.

Labana, Tejinder
I'll be "Running for NZ".

Liu, Chloe
I want to be Alive.

Nash, Brooklyn
Que Sera, Sera.

Ng, Tsung Wai
I'll still be waking up early.

Pham, Misa
My heart will be in paradise.

Prasad, Tanav
I'll be rich.

Roberts, Paige
I'll be celebrating the 10-year anniversary of not knowing what I'm doing.

Sandhu, Rammy
Pursuing a well earning job with a wife and a house. I wish I was cooler.

Sharma, Saunik
You'll have to wait and find out.

Simpson, Devon
I'll be a cool Youtuber!

Singh, Amtej
I'll be a millionaire.

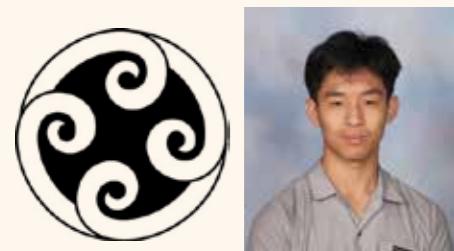

Singh, Gurkeerat
I'll be playing Bee Swarm Simulator.

Teo, Mikey
I'll be a rugby player – No Pain No Gain

Tran, Aimee
I see myself graduated, being a good citizen, and have my family by my side.

Zhang, Ian
I'll be happy and healthy.

Yin, Alfred
I'll be living my life to the fullest with no regrets.

Young, Lucas
I want to be studying, eating, and exploring.

10C2

Dass, Suhana
I hope to be working my dream job.

I will be riding my scooter with friends.

Kaur, Gurman
I see myself listening to music, no matter where life takes me.

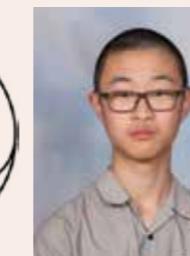

Kaur, Gurveer
I'll be happy to see where life takes me.

Kong, Jessica
I will be happy.

Liao, Selina
I see myself helping others in the health industry.

Ma, James
I will become the chief executive officer of Google.

Mafile'o, Tony
I'll be playing for the Panthers.

Piliu, Isabella
I will be serving the one and only, Jesus Christ. – John 3:16

Posa, Johnsun
I'll be playing for the Storm.

Puru, Dayna
I see myself working at KFC.

Saini, Sarthak
I'll be behind the wheel of a BMW M3.

Sharma, Ami
I will be a successful ophthalmologist, giving my parents the life they deserve.

Sharma, Vistris
I'll just be doing me.

Mann, Parjot Kaur
I will be doing everything that I want, living life to the fullest, and travel the whole world!

Michaels, Justin
I will be a writer.

Patel, Priyanka
I'll be travelling.

Pauta, Koriano
I will be a musician.

Prasad, Kenisha
I'll be making money.

Santheesh, Sehen
I want to be a South Indian Singer.

Tifaga, Luisa
I will be playing for NRL.

van Middelaar, Fynn
I'll be racing a Gen3 Mustang around Mount Panorama.

Williams-Govilkar, Jiah
I'll be travelling.

Xu, Victoria
I hope to have a successful career and be happy.

Zhou, Zoe
In 10 years, I see myself travelling around the world

Singh, Jashanpreet
Hopefully I'll be successful.

Takhar, Ekam
I see myself living free!

Togatuki, Sierra
I see myself rich, married, and happy.

THE FOUR *Cornerstones*

Our motto at Mission Heights Junior College is 'Growing Greatness – Kia Mana Ake'!

To ensure every student has an opportunity to grow their greatness, opportunities outside the classroom are provided. We call these our Four Cornerstones.

These opportunities allow students to showcase their unique talents, explore new activities and contribute their time and energy to the wider activities of the school.

The Four Cornerstones provide an excellent vehicle for developing skills and qualities required for future success, including collaboration through teamwork, resilience through commitment, and determination and integrity through fair play and sportsmanship.

Mission Heights Four Cornerstones:

- Leadership Through Service – at its heart is selfless leadership and mentoring, with purposeful outcomes linked to a set of values embedded in community-related activities.
- Cultural Activities – to provide opportunities for students within the visual and performing arts, and to celebrate our diverse community.
- Academic Extension – to provide learning experiences, challenges, and competitions which extend our students and promote creativity, critical thinking and problem solving towards personal goals.
- Sporting Endeavours – to promote a healthy lifestyle through participation in individual and team sports, and provide students with the opportunity to develop their skills by competing against the best local and national schools.
